.....

READ CAREFULLY BEFORE ORDERING

Our stock is all A-1 quality, hard high crown bulbs, fully matured before digging and carefully cured before storing. We guarantee all stock to be healthy, vigorous and true to name.

All orders will be taken subject to stock. Order early to prevent disappointment. Most varieties will be ready for shipment early in November.

Terms are net cash before shipment, unless otherwise arranged; 25 per cent deposit will hold winter orders until March 1st. Orders not fully paid for will be sent C. O. D. for the balance at time of shipment.

Remittances should be made by post office money order, express money order or bank draft.

References — For our business standing, please refer to Bank of America National Trust and Savings Association, Berkeley, California; Farmers and Merchants Savings Bank, Oakland, California; or Bradstreet's or R. G. Dun & Co., mercantile agencies.

DISCOUNT

All cash orders are subject to the following discounts:

Orders of \$ 5.00 to \$ 15.00 a discount of 10% in bulbs of your selection.

Orders of \$ 15.00 to \$ 40.00 a discount of 15% in bulbs of your selection.

Orders of \$ 40.00 to \$100.00 a discount of 25% in bulbs of your selection.

Orders of \$100.00 to \$250.00 a discount of 25% in bulbs of your selection.

Your selection for the above discounts can be made from any of the varieties in this list except Blue Peacock, Commander Koehl and Picardy, as our stock of these is small. Please indicate a second choice — as we may be sold out of some varieties and we do not substitute, without your permission.

This List cancels all previous quotations.

We pay all packing and transportation charges except on orders of less than \$3.00. Add 25c. to cover packing and transportation on orders less than \$3.00. We do not pay transit charges in foreign countries.

1000 bulbs at 9 times the 100 rate.

250 bulbs or bulblets at the 1000 rate.

25 bulbs at the 100 rate.

NEW VARIETIES

Our one origination for the year is Blue Peacock, a fine novelty in the blue shades. The color is nearer a true blue than Veilchenblau, and the deep velvet blotch overlaid with cream gives it a very attractive and different aspect from the rest of the "blues."

While we offer only one new variety this year, we have a large number of fine new kinds that will be heard from as soon as the stock is large enough. Three of these, in particular, will rank among the very best of all gladiolus. One is the apple-blossom pink which was awarded first prize as best flower in the Eastbay Gladiolus Show; another is a blue self described by Mrs. W. H. Kingsley in "Western Florist and Nurseryman" as the finest blue color she has ever seen; and the third is a fine deep rich yellow, the only bloom of which was sent Air Mail to the A. G. S. Show at Cleveland. This beautiful yellow had 12 large well expanded florets open and 11 buds when mailed.

We call particular attention to three Salbach varieties which are real money-makers — Betty Nuthall, Salbach's Pink, and Salbach's Orchid. A few of the prizes won by these splendid varieties are: Betty Nuthall — Best gladiolus in California Flower Festival, First for best basket and for best California origination in Eastbay Gladiolus Society Show, Oakland, California; Salbach's Pink — First as best basket of gladiolus, first as best three spikes of pink, and second to Betty Nuthall as best flower in California Flower Festival; Salbach's Orchid — First as best rose pink without markings at A. G. S. Show in Cleveland; first as best rose pink, California Gladiolus Society Show, Los Angeles; first as best rose pink, and first as best basket of pink, Eastbay Gladiolus Society Show, Oakland, California. Salbach's Orchid has also been tested under glass, and pronounced an exceptionally fine variety for forcing.
